ANNOUNCEMENT

To: OMA (formerly MESO) Associate Members

From: Tom Rider, General Manager
Deborah Miner-Gonzales, Director of Administration & Finance

Re: **Associate Membership, Directory Advertising, OMA Newsletter Advertising**

OMA ASSOCIATE MEMBER CONTRACT and ADVERTISING INFORMATION

As a trade association, OMA provides a wide variety of services to 60 member electric utilities in Oklahoma and 7 systems in neighboring states. In addition, OMA has many corporate associate members who show their support for public power through their support of OMA. For that reason we think associate membership for firms is good business.

Our Associate Memberships are \$350.00 annually, based on a calendar year. Benefits include receiving a listing in the monthly newsletter noted below (additional ad space is available for a minimal fee), an alphabetized listing in our 4.25" x 7" Pocket Directory plus promotion of your business on OMA's official website www.okmainc.com. Associates also receive opportunities to exhibit their products/services at conferences where they receive preference for speaking engagements on various topics of interest to our members.

OMA publishes the **Oklahoma Public Power** monthly newsletter which has a growing circulation of nearly 1,000 people. It is produced in a color, 12-16 page electronic format. If you are considering various forms of advertisement opportunities, please contact Deborah Miner-Gonzales at OMA for more information, 800-636-6376, 405-528-7564 or by e-mail deborah@okmainc.com.

To be part of public power in Oklahoma, please complete and return the attached form. Contact Deborah Miner-Gonzales at OMA with questions or for more information.
